'THE WHIPPETS' GOT THEIR NAME

25TH ANNIVERSARY OF THE WHIPPET AND THE W. W. SKILES ATHLETIC FIELD

It All Began at the Races

It all began at the races. While attending a dog race at Norfolk, Virginia, George Evans was inspired to build a new bicycle and name it the "Whippet." Mr. Evans, who at that time was sales representative for the Shelby Cycle Co., took up the matter with Clyde Brokaw, Vice-President and Sales Manager. With the cooperation of the entire organization the new bicycle was created, the color scheme being fawn blue with white trimming.

The name "Whippet" was originally used on a Shelby bicycle in 1928, and the following year the school adopted the name WHIPPET for the football team. Mr. John Seltzer, through the cooperation of the Shelby Cycle, loaned a number of these bicycles for training purposes and sold the boys "Whippets" at the original factory cost.

Along with the WHIPPET we also celebrate the 25th anniversary of the W. W. Skiles Athletic Field. Immediately following the close of the football season of 1927 Mr. R. I. Lewis, then Superintendent of Schools, called together representatives of a number of Shelby civic organizations. From these organizations an athletic field committee was composed. It was the duty of this committee to devise ways of financing the proposition and to guide the construction of an athletic plant. The land was generously donated by the Ohio Seamless Tube Company. Then there arose a generous and public spirited woman, E. Dora Skiles, who donated \$5,000 to this worthy cause in the name of her husband, Congressman W. W. Skiles.

Mr. Skiles had been a member of the Board of Education for more than twenty years and an influential and helpful citizen for many,

many years—so it was fitting that this field be named for him.

On September 29, 1929, the field was opened to the public and formally dedicated with impressive ceremonies consisting of a parade by the members of the high school and field committees led by the Shelby High School Band. Mrs. Skiles formally presented the field to the boys and girls of the school, both present and future. Mayor E. S. Hassler accepted in the name of the whole community. The beautiful American flag, the gift of the Daughters of America, was raised while the national anthem was played by the high school band.

The plant consists of a wonderful playing field, a practice field and running track. It has a seating capacity of 4500. The entire cost of this plant was \$16,000. This gift was one of which all who attend Shelby should be proud, and in commemoration of the anniversary of its presentation and the adoption of the Whippet as our school emblem, we are, in the anniversary edition of the Scarlet 'S', presenting the Whippet on his way through Shelby High.

Larry Swackhammer

"Swack"

The Senior Class of 1954 and the 1954 SCARLET S Staff wish to dedicate this edition of the year's activities to one of the best known and respected members of the high school faculty.

Mr. Lawrence Swackhammer, commonly referred to as "Swack", has spent many years here in Shelby as coach, athletic director, and industrial arts instructor. In all these activities he has proven himself to be a wise friend and counselor to the many boys

who have been under his supervision year after year. He has never hesitated to answer their many questions or show them how something should be done. His winning smile and personality have always been an inspiration to the many students who have known him as friend, teacher, and Shelby's Alan Ladd.

Each and every one of the seniors takes pride in bestowing the honor of dedicating this 1954 edition of the yearbook to Larry Swackhammer.

Paul Curry, president of school board; S. R. Bricker, vice-president; James Davis, engineer for Friebel and Hartman Contracting Co.; Charles Anderson, foreman for Friebel and Hartman; Walter Friebel, member of the contracting firm; Wayne Carleton, member of the board of education; and Rodney Beckley, engineer for Friebel and Hartman.

Standing in front of foundation: Mrs. Agnes McFadden, principal of Grant school; Dr. E. D. Dowds, member of the board of education; Sanford Weaver, clerk of the board; Byron H. Carmean, superintendent of schools, and Arthur Love, member of the board. Laying the cornerstone of the new Whitney Elementary Building.

BOARD AND SUPERINTENDENT

SANFORD WEAVER, A. B.

of the board of education

S. R. BRICKERPresident
WAYNE CARLETONVice President
Elected in January, 1954

The Shelby City Schools Board of Education has been very busy during the past six years planning the new buildings, awarding contracts, and purchasing equipment for the new schools of the city. In another year Shelby will have one of the most modern, best equipped, and most adequate school plants in the state. The new Whitney School will be ready for occupancy and use next fall and the new Gym at Central School will be completed in time for the 1954 basketball season.

Shelby students are indeed fortunate to have board members, a superintendent, and parents who are willing to look ahead and provide the necessary schools for the anticipated increased enrollment in Shelby schools.

Superintendent of Schools

PLAN FOR FUTURE STUDENTS

MRS. SUSAN KIRKENDALL
Secretary
in the Superintendent's Office

For the past eight years Mr. Carmean has looked ahead and calculated school room needs for the anticipated enrollments that have been coming to the Shelby Schools during the past few years. Realizing that the buildings were not large enough and not satisfactory to house boys and girls in the elementary grades, he planned with the members of the board to provide suitable schools for the city. During that time three large elementary buildings have been erected, an addition was built for the high school, and a large gym attached to the new Central School. All this has required patience, determination, and foresight. Mr. Carmean has shown that he is willing to do all these additional duties so that the most adequate schools can be obtained. Shelby is indeed fortunate to have a superintendent like Mr. Carmean to accomplish such an outstanding job.

Principal Keeps Track of 831 Active Whippets Every Day

Keeping a record of over eight hundred pupils plus thirty-five teachers is a full time job which is handled at Shelby High by our principal, Mr. J. E. McCollough. Not only does he have to know some thing about each pupil and teacher but also he is called by parents who want to know about the progress that their sons and daughters are making in high school.

With all the activities of Shelby High the principal endeavors to maintain a "balance" between all departments of the school. Mr. McCollough is never too busy to talk with us about our schedules and courses; in this way he endeavors to make our school life as interesting and beneficial as possible.

The Juniors and Their Story

JUNIOR CLASS EXECUTIVE COMMITTEE

Kneeling: Evelyn Jackson, James Utz, and Eleanor Sipes.

Standing (Left to Right): Alice Marshall, Mary Lee Tullis, Bonnie Graham, Arlin Cooke, Miss Snyder (Advisor), Tom Shepperd, Edward Davis, Sandra Fee, and Doris Lybarger.

The Junior Class Executive Committee is composed of the three class officers, the advisor, and two elected members from each of the junior homerooms. They have many and varied responsibilities; among these are: selling programs at the basketball games, preparing advertising and selling tickets for the junior class play, and planning the annual

Junior-Senior Prom held in May of every year.

The committee also planned a junior class dance held in the early part of the school year. This was open to all high school students. Larry McFadden's band furnished the music and everyone seemed to have an enjoyable evening.

Juniors Eye the Diplomas

One hundred six freshmen entered Shelby high school three years ago and thus became members of the Class of 1955. During the next two years the class lost four members until at the present time they number one hundred two. They began their high school careers as energetic and lively people, those who were willing to accomplish things for themselves and their school.

By the end of that first year it became very obvious that a number of the members of the class would achieve recognition in scholarship during the four year period; a number would become outstanding athletes; and a number would be willing to take part in the numerous activities presented by the school.

Juniors have studied Long

In the Junior Year the members of the class were engaged in studies like typing, chemistry, bookkeeping, Spanish, and advanced mathematics. One of the required courses was American History that will be more meaningful to the class members as the years roll on. On all of these they endeavored to work hard and long.

These new courses offered challenges to the Juniors and many of them took their responsibilities. With all these opportunities in class room work and studies, the Juniors were preparing themselves for some definite work in life. With these and their activities in school and the community they were also obtaining social relationships.

Juniors planned our Prom

Not to be outdone by classes of other years, the Juniors started early in the year to plan the annual Junior-Senior Prom for 1954. Committees worked hours (and days) to transform the gym and game rooms into places of fantastic beauty. We remember our days as Juniors and know they had lots of fun in planning this gala occasion.

It will be out of this World

And now the Juniors look more serious than usual as they plan to take the place of the Seniors. Those places will be difficult to fill but based on their past experiences and abilities, the Juniors will do a splendid job.

Good luck to the Juniors and their advisors as they plan to become Seniors.

Sophomores Number 154

Left to right: Sara Seaman, James Murtha, Miss Hughes, and Sally Query.

The present Sophomore Class of Shelby High anticipates being the largest class in Shelby's history to be considered for graduation. With 154 members at the present time the group indeed has a challenge ahead and certainly will dwarf all other classes in size. However they will not hold that position for many months as the seventh, eighth, and ninth are right behind them with an even greater number of students.

The Sophomore Class is the first year in high school life that the class is permitted to elect officers. This year the members chose a capable student to direct the activities of the 154 pupils. He was James Murtha. Selected to work with him on the executive

group were Sally Query, as vice-president and Sara Seaman, as Secretary-treasurer. Miss Marie Hughes was named to serve as faculty advisor.

With a class as large as this one, Shelby certainly can look forward to many pupils participating in athletics, dramatics, musical groups, and scholastic achievement. This will be just the beginning as the classes after the 10th graders are large.

An outstanding event in the lives of the Sophomores was the Sophomore Class Party held in April. This always is an interesting affair and marked as the first major social activities for the ensuing two years.

Group Controls the "Kennels"

This marks the thirteenth year for Shelby High's Student Council which has been under the capable direction of Mrs. Edythe Yetzer for the past eight years.

This group, composed of representatives from each homeroom and officers of the sophomore, junior, and senior classes, hold some of the most responsible positions in the school. Among the first of many jobs is the supervision of the school elections and planning of the school calendar.

The programs planned by the Student Council during the school year are varied and interesting. This year they included: Larry Tetzloff's thrilling stories of animals of Africa; Kay Graham and Jay Morris with their songs of Old Scotland; Val Lauder telling "What I Found Out About You", or how-teen-agers can succeed in their chosen vocations; Mr. and Mrs. Otto Schmidt's athletic feats and tips on health; James Welty's fascinating "Fun on the Keyboard"; the land of make-believe of Grace Keene; and Abraham Lincoln returned to life by Kirk Bennett in "The Man Who Knew Lincoln."

These programs and other expenses are met by the sale of football programs and advertisements for these programs.

Officers of the Student Council are: David Metzger, president; Elinor Spangler, vice-president; Dorothy Crosby, secretary; and Duane Emerson, treasurer.

"Wanna fight? Mike, the lion, is ready to take on all Whippets or any others.

Stand on your head, your arm . . . Otto Schmidt says it is good for you.

Whippets learn about Government

The annual Buckeye Boys' State sponsored by the American Legion to teach high school boys the functions of city, county, and state government was held at Camp Perry, near Port Clinton, Ohio, last summer from June 12 through 21.

Camp Perry is an old German prison camp reconstructed for use as a proving ground. It is a large place that could accomodate over 3,000 persons of which Boys' State was only a part. There were over 900 boys attending Boys' State last summer. The boys lived in huts that were suitable to house four boys; there were twelve huts in a row; two rows to a city, five cities to a county, and four counties in the state.

Buckeye Boys' Staters from Shelby held the following offices: Bruce Archdeacon, Police chief of Herbert City; Don Bucknam, president of Gardner City council; Wincel Ingram, police chief of White City; Phil Keller, representative to the House of Representatives from McQuigg County; Dick Reed, policeman from Coffey City; and Larry McFadden, city solicitor from Stone City.

Highlight of this years' Boys' State was the visit of the Governor of Ohio, the Honorable Frank J. Lausche.

Over 600 high school juniors were present at the annual session of the Buckeye Girls' State which was held the week of June 19, 1953, on the campus of Capital University, Columbus, Ohio. These girls were sent to Columbus by the American Legion Auxiliary and various civic-minded groups for the purpose of teaching them, by active participation, how their city, county, and state governments operate. The delegates from Shelby High were sponsored by the local Legion Auxiliary and the Business and Professional Women's Club.

Whippets read many Books

Approximately 36,000 "students" visited the Shelby School Library during the school year 1952-1953, according to the report of the librarian, Miss Luella Kuhn. Over 200 visited the library daily and the peak number for the year was 333.

The Shelby library has approximately 9000 books with the number of fiction books topping the non-fiction by 700. There are over 700 magazines and pamphlets in the library available to the students who desire to read current articles as well as do some research problem.

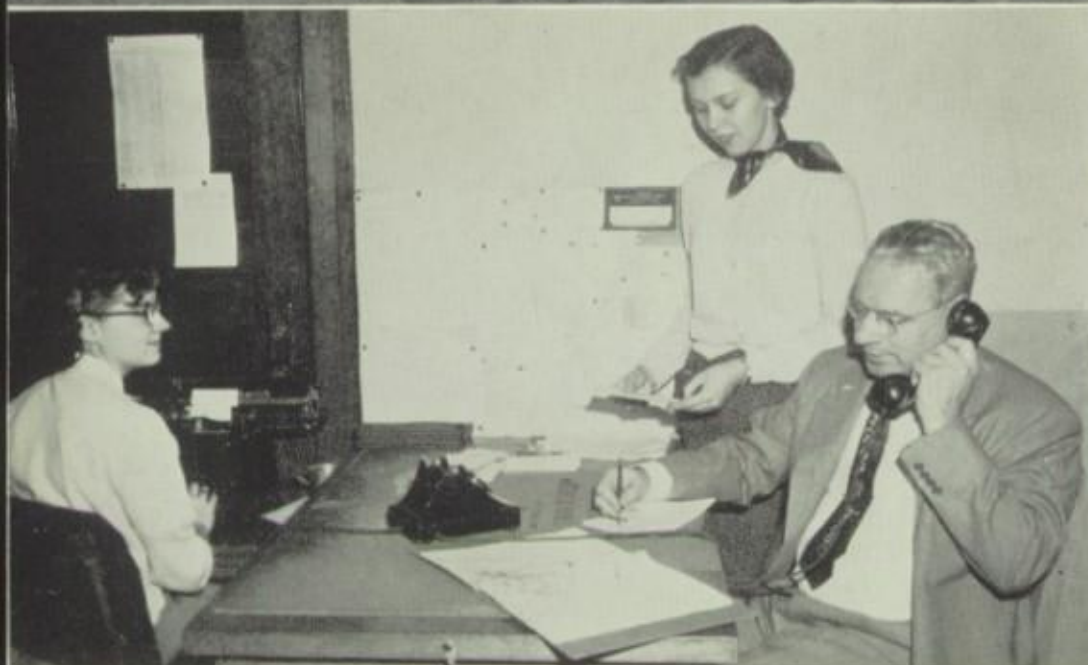

During the year 1952-1953 over 250 books were purchased by the librarian to add to the number of volumes in the library.

Another bit of interest taken from the yearly report of the librarian was the amount of money paid as fines for keeping books too long. Shelby students paid \$94.94 in fines for doing this.

Miss Kuhn has six assistants who help her during the school day. One of these is on duty during each period.

The fourteen girls in the upper left picture although rarely heard from, provide many important services to the different departments in Shelby High by acting as secretaries to the various faculty members who help guide the Whippet training program. Our personal thanks, girls, for a job well, though quietly, done.

One who happens to be near the cafeteria around noontime will rarely see our three cooks and their high school assistants remaining in the same place long enough for a picture to be taken. They are truly among the busiest workers in Shelby High and also deserve our recognition.

To one who happens to enter the attendance office during the first period, the scene pictured above is certainly a familiar one. Mr. Yohn and his four assistants spend two hours every day in checking on absentees and preparing the familiar absence reports, which are given to each homeroom teacher.

Shelby's capable bus drivers have a more difficult job than many realize. They drive many miles each day in all kinds of weather, and also have the responsibility for the safety of approximately fifty pupils and the problems of maintaining order. We hope they will receive the appreciation they deserve.

Ensembles Win Recognition

Shelby High had high hopes of winning superior and excellent ratings in the district and state music contest through the participation of many vocal and instrumental ensembles. The district contests were held at Mt. Vernon and the state contests at Mt. Union College, Alliance, Ohio. These ensembles have appeared at many civic groups' meetings in Shelby during the past year in anticipation of better preparing themselves for contest participation.

and undefeated Season

The members of the 1953 Football Team were rewarded a thrill which no other Shelby team has known since the season of 1923. For 30 long years the Whippet Teams have set as their goal an undefeated and untied season. Shelby has been a very successful football community in the past due to the superior coaching staff, the enthusiasm of the fans and student body, the backing of the cheerleaders and band. And above all the will of the team members to get out and play football.

Mr. Wilkins started this season by reminding the seniors of his predictions when they

were in Junior High. At that time he stated that with the proper attitude and determination they could have one of the greatest seasons in Shelby history.

One of the most exciting games of the 1953 season was played at Bellevue. Shelby was trailing 10-7 with three minutes remaining in the game. At this point the Whippets executed a most spectacular play when the quarterback, Emerson, handed the ball to the right half back, Adkins, on a double reverse. Bellevue didn't know what had happened until the score had been recorded.

Crowds were Kept Informed, Entertained

The Varsity and Reserve Cheerleaders are to be commended for their efforts in stimulating the enthusiasm of both the teams and the spectators at the athletic contests held with other schools.

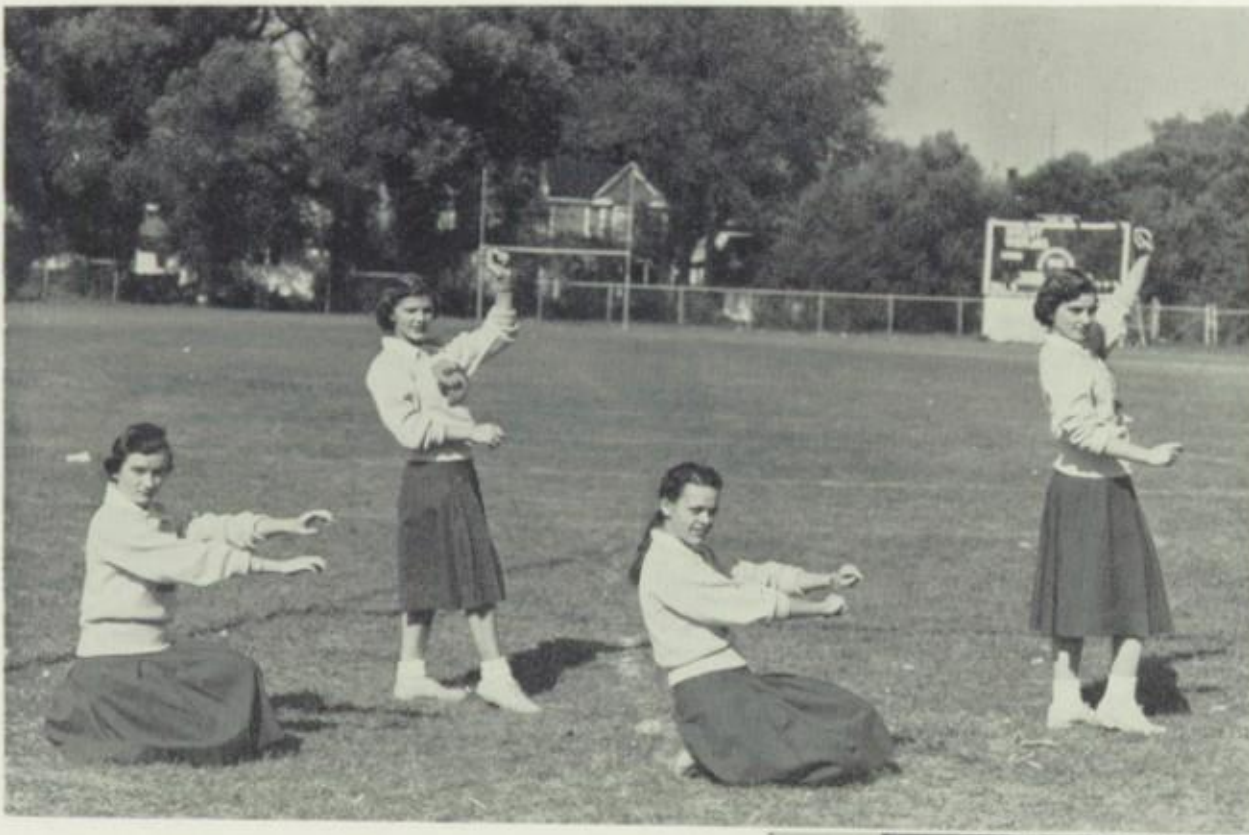

After being elected last spring by the student body, they spent many hours practicing in order to perfect their cheers before the first football game. In addition to leading cheers, they also planned pep rallies at which they featured speakers, taught the student

body new cheers and displayed the gayly-colored posters which they had painted.

At one of the most outstanding football rallies, Mayor Allan Harman presented the key to the city to the cheerleaders, coaches and the members of the team. Bill Morris who was a member of the undefeated team of 1923, was a major speaker at a rally.

Miss Bowman deserves a vote of thanks for the time and effort which she gave to help these girls.

Sectional Tournament Play

Shelby's Whippets played hard and well throughout the long basketball season. The varsity team lost 6 games and won 16 including tournament play. Wincel Ingram broke the local individual record on the local floor when Shelby played the league winners — Bellevue. He scored 41 points. This record will undoubtedly stand for the local floor as future games will be played on the new floor at Central School.

At the annual coaches meeting in March, Shelby was awarded the second place trophy for the league with Bellevue receiving first honors.

The greatest joy for the Shelby Whippets came at the tournament held at the Marion Coliseum. The Shelby team was seeded in third spot following Ashland and Mansfield. In the first round of play, the Whippets trounced Madison for the third time in the season. On Saturday night, March 6, Shelby met the Ashland Arrows who were carrying a rating of only one loss during the season. Shelby never played better ball and defeated the tournament favorites (also rated third in the entire state by newswriters). On the following Monday Shelby met the Mansfield Tygers for the final game of the tournament. For the first three quarters Shelby led the Mansfield team but were finally defeated in the last few minutes of play.

After a commendable season along with the loss of a couple of big games, Coach Williams' Whippets were not expected to come through with the finesse

and basketball know how, which they so well represented throughout the past season. The determination and experience of the seniors and the fighting spirit of the underclassmen, together, characterized a combination almost unbeatable.

Left to right: Coach Copeland, Eugene Sprow, Joe Wildman, David Blair, Lowell Jarrell, Larry Simpson, Kenneth Seib, James Patrick,

Tom Payne, Jon Davis, Jan Fichter, Thomas Nothacker, Dennis Davis, and Larry Loomis (manager).

The Shelby Junior Varsity enjoyed a very successful season by winning 13 of their 17 games scheduled for play. Coach Roger Copeland is to be commended for his excellent handling of the team during the year as coach of the young Whippets.

The J. V's scored a total of 893 points for the season, a game average of 52.5. They held the opposition to an average of 40 points per game. This was a remarkable offensive record for ninth and tenth grade boys playing junior varsity basketball.

After Lowell Jarrell was moved to a position on the varsity squad, the reserves were bolstered by five fiery freshmen. Larry Siegfried became a sparkplug for the Reserves and earned himself a starting position.

These sophomores and freshmen were a determined bunch of players who liked to win. By their outstanding performances they assured the Shelby fans that good material

is available on the basketball court for the next three years at the Whippet home.

9th Graders Win 9 Games

The Shelby High School ninth grade basketball team finished the season with nine victories in eleven starts. This group of boys was coached by Jack Robb.

The team scored 541 points to 326 for their eleven opponents. This was an average of 49.1 points per game for the year. They held the opposition to less than 30 points per game.

Next year this group of boys will take

their places in the junior reserves and participate in the scheduled games of the basketball season.

As the season advanced a number of these players were moved to the Reserve team and took part in the regular games scheduled with the varsity and reserve teams. They showed remarkable ability on the floor and did an outstanding job.

The Whippet baseballers have high hopes of a very successful season. The Whippets were going strong at the beginning of last season with a string of 5 straight victories but with the loss of Kenny Foreman's hitting and sparkling fielding, the team wasn't quite

strong enough to take the championship. This year's team has both experience and a desire to win. With such a combination as this the Whippet nine is certain to obtain high recognition.

GOLF TEAM

Kneeling: Coach Yohn.
Standing: Holmes, Karr, Korbas, L. Simpson, Williams, Wilcox, Yetzer, Terry, C. Simpson, and Pry.

The Whippet Golf Team had a very successful season in 1953 by winning 11 and losing but one match. The team won all six league matches and walked away with the NOL championship.

After completing the regular season the team traveled to Lima where they took sec-

ond place in the district tournament and thus earned a chance to play in the state finals held at Columbus.

From all points of view the team deserved a lot of credit in that they gained 8th place in state competition. This indeed was the best golf season that Shelby has had.

Thinclads Make Good Showing

Sixty-three thin clad reported for Coach Roger Copeland's first call for the 1954 track season. Mr. Copeland lost several good runners and three or four very good field men in 1953 but had little trouble in filling these boys' shoes.

The 1953 team was undefeated in dual meets, winning four and losing none. In dual meets the team piled up a record of 311 points to the opponents 161.

In a triangular meet held at Willard between Bellevue, Shelby, and Willard, the Whippets ran second to a veteran Bellevue

squad. This meet was very close as there were only 8½ pts. between the two rivals. This meet proved to be a buildup to the league meet which was held at Willard a few weeks later.

In the league meet the Whippets were again outpointed by the much improved Bellevue squad. Bellevue dominated all individual play as they walked away with the meet and also the N.O.L. championship.

The race for the championship this year should also prove to be very interesting inasmuch as both Bellevue and Shelby will have veteran teams.

Outstanding Players get Athletic Awards

Wincel Ingram and Dick Reed were selected to receive the Annual Award as the Outstanding Athletes for the school year of 1953-1954. They were chosen by a committee of teachers, coaches, and junior varsity members. There is usually one boy chosen but this year they have both proven themselves to be outstanding.

During his school days here, Wincel has taken part in football, baseball, and basketball. He was captain of the basketball team for the last two years and has received many honors.

During the basketball tournament at Marion, Wincel was recognized as one of the

outstanding players of the nine schools represented. He played his last few games for Shelby under the handicap of wearing a plastic face mask to protect his nose that had been broken twice during the season.

Dick has taken part in basketball, track, and football. He was named co-captain for the football team and did a wonderful job.

He showed unusual ability in directing the plays for the Whippets on the football field. At the Madison game he displayed great leadership in his performance.

Both of these boys deserve all the honors heaped upon them by the school, community, opponents, and sports writers.

Absent when picture was taken:

Wincel Ingram, Don Bucknam, Richard Cecil, Joe Wildman, Kenneth Foreman, Bob Adkins, Ed. Davis, Larry Baker, and Don Dodd.

The "S" Club of Shelby High is composed of the boys who received a varsity letter in any sport and have chosen to become members. The main function of this organization is to encourage boys to participate in sports and promote good sportsmanship in all sports.

In the spring the (formal??) initiation is

held and a square dance and cake walk is also sponsored by the club.

The alumni do not lose contact with the "S" Club because Mr. Wilkins, the advisor, keeps a close tab on their whereabouts and positions in the outside world so that members may inform them as to sports and social activities of the school.

The odd noises you might have heard coming from the north west corner of town should not have startled you; they were just the shouts of the Girls Athletic Association playing basketball at Auburn School. Since the high school gym is constantly in demand the girls have been forced to use the grade school gym.

Having no facilities to travel to other league schools for interscholastic sports, the girls have started their own tournaments which are held during the noon hour. Each grade level had its own team consisting of six girls. The lower classes seem to have definitely showed their ability this year.

One of the most important events of the year was the participation of outstanding girl athletes in the annual Play Day on the Bowling Green University Campus. The day's activities included volleyball, basketball, baseball, and swimming plus modern dance exhibitions.

Another big event was the annual G.A.A.-"S" Club Dance held in April. This dance was a round and square dance, and was enjoyed by a large crowd.

The girls enjoyed many seasonal sports throughout the year including volleyball, basketball, baseball, soccer—they played them all.

With Norma Gross as president, Dorothy Crosby-vice president, Marjorie Paulo-secretary, Elsie Swanger-point chairman, Sandra Ward-volleyball director, Barbara Wilson-basketball director, and Ruth Remmy-baseball director the meetings were kept under control.

The girls in G.A.A. have been under the careful guidance of Mrs. Julia Riddle. This is the first year of teaching for Mrs. Riddle at Shelby High School. The girls were indebted to her for her excellent help.

Barbara Wilson Named Outstanding Athlete

Barbara Wilson was chosen by the girls of the G.A.A. as the outstanding athlete among the senior girls for the year.

Barb has been an active and faithful member of the G.A.A. for four years and has taken part in all the major activities of this group. She played varsity volleyball and varsity basketball for the last three years. She was baseball director for two years and basketball director in her senior year.

She is following in the steps of her illustrious brother who was named outstanding athlete in the year 1951.

The seniors take great pleasure in honoring Barbara Wilson this year.

The Shelby Whippet Band, composed of 90 members was again the best in the league. As a Whippet dog is trained to run in a straight line, these Whippets, as members of the band, are also trained to march in a long straight line extending across the entire playing field. After many intricate steps and for-

mations, the band show at a football game is topped off by this single line as shown in the picture on these pages.

Climaxing the football season of 1953 with their best performance at Arlin Field, Mansfield, the musically inclined Whippets again proved that any Whippet endeavor is sure to be tops.

Leaders of the Band

"Let's think of something different!" How many times one could hear that statement if he happened to be passing by a majorette rehearsal. The majorettes this year have tried to work out different routines that people haven't seen, but still keep those that the fans seem to enjoy. Many new dance steps for the down-field routines were used this year and looked very nice.

They practiced each day with the band and also at the night rehearsals often coming down early in order to correct something that was causing difficulty. Mr. Braden offered constructive criticism which improved the uniformity of the group.

Gary Kocher, in his initial year as Head Drum Major has put a "new look" into the responsibility of leading a band. In preparation for this, he received advanced instruction during the preceding summer from Dick Smith, Head Drum Major, of the University of Michigan.

Junior Band Sets The Pace

Approximately one hundred members of the Whippet Junior Band learned, during their junior high years, just what will be expected of them when they reach their goal—the Senior Band. They performed during all the home games of the reserve football team. Part of their training consists of memorizing formations, and music.

Throughout the winter, they practiced various kinds of music and thus gained valuable experience in sight reading.

The climax of their year's activities was participation in the annual spring concert given by the senior band in the high school auditorium.

First Row: Champion, Sprague, Stewart, Knapp, Glower, Lehman, Gremling, Bendle, Boudinot, Guthrie, Will, Walker, Hardman.

Shelby Choristers like to Sing

As the school year started, a new choir began its annual task of making harmony from discord. Within a few weeks, Mr. Braden pronounced the group of eighty voices, "The best so far". These juniors and seniors met in the music room three to five days a week to prepare for their numerous activities, with the help of Mr. Braden and accompanist, Shirley Seitz.

Their first concert was given over the public address system, November 10, prior to Armistice Day, when they sang many appropriate numbers.

Then on December 12, the choir presented their Christmas concert to an appreciative audience. As usual the favorite number was "The Night Before Christmas" but many others ran close seconds.

After Christmas the choir voted to partici-

pate in the contest at Ashland College, March 20. So in February and March, the strains of two songs echoed through the halls as choir members frantically and thoroughly learned parts. To practice singing before an audience, the choir presented these and other numbers in a concert with the band and on February 28.

Next on the list of events was the N. O. L. Festival held at Willard, March 26. Besides presenting a group of their own numbers, choir members received the thrill of singing in a large group as the four participating choirs joined in the mass numbers.

The highlight of the year, however, was the formal spring contest, May 2. It was beautifully done and will be long remembered by the people who attended, as well as those who took part.

Glee Clubs

The Girls' Glee Club did its usual good job of entertaining the audiences that attended its various concerts. In their first appearance of the year they joined with the Boys' Glee Club in a Thanksgiving Concert. The Boys' Glee Club incidentally is a new group to the music department. Both groups plus the Choir gave a lovely concert at Christmas time. Their next performance was at the beautiful Sunrise Service April 18. The final concert of the year was the formal Spring

Concert in May.

This group gains valuable training for its future duties in the Choir and well deserves its recognition.

Officers of the Girls' Glee Club are: President—Sally Query, Vice-President—Marsha St. John, Sec'y.-Treasurer—Sara Seaman.

The President of the Boys' Glee Club is Jim Murtha, Vice-President—Tom Arntz and the Secretary-Treas.—Gary Kocher.

Whippets Are Thespians Too!

Whippet footlighters are given the opportunity to become members of the Shelby High Thespian Club, which is a member of the National Thespian Association. To become eligible for membership a student is required to participate in a class or school play, work as a member of the stage crew, or serve as a co-worker in make-up properties, and costuming.

Each play participant must earn a number of points based on the number of lines in the play, or work a definite number of hours back stage and in play preparation.

Mr. James Keiser served as advisor for the Shelby Chapter which held regular meetings during the school year. One of its outstanding activities was the formal initiation ceremony. For its main project the group presented the all-school play to pay for its trip to Cleveland to see an outstanding play at the Hanna Theatre.

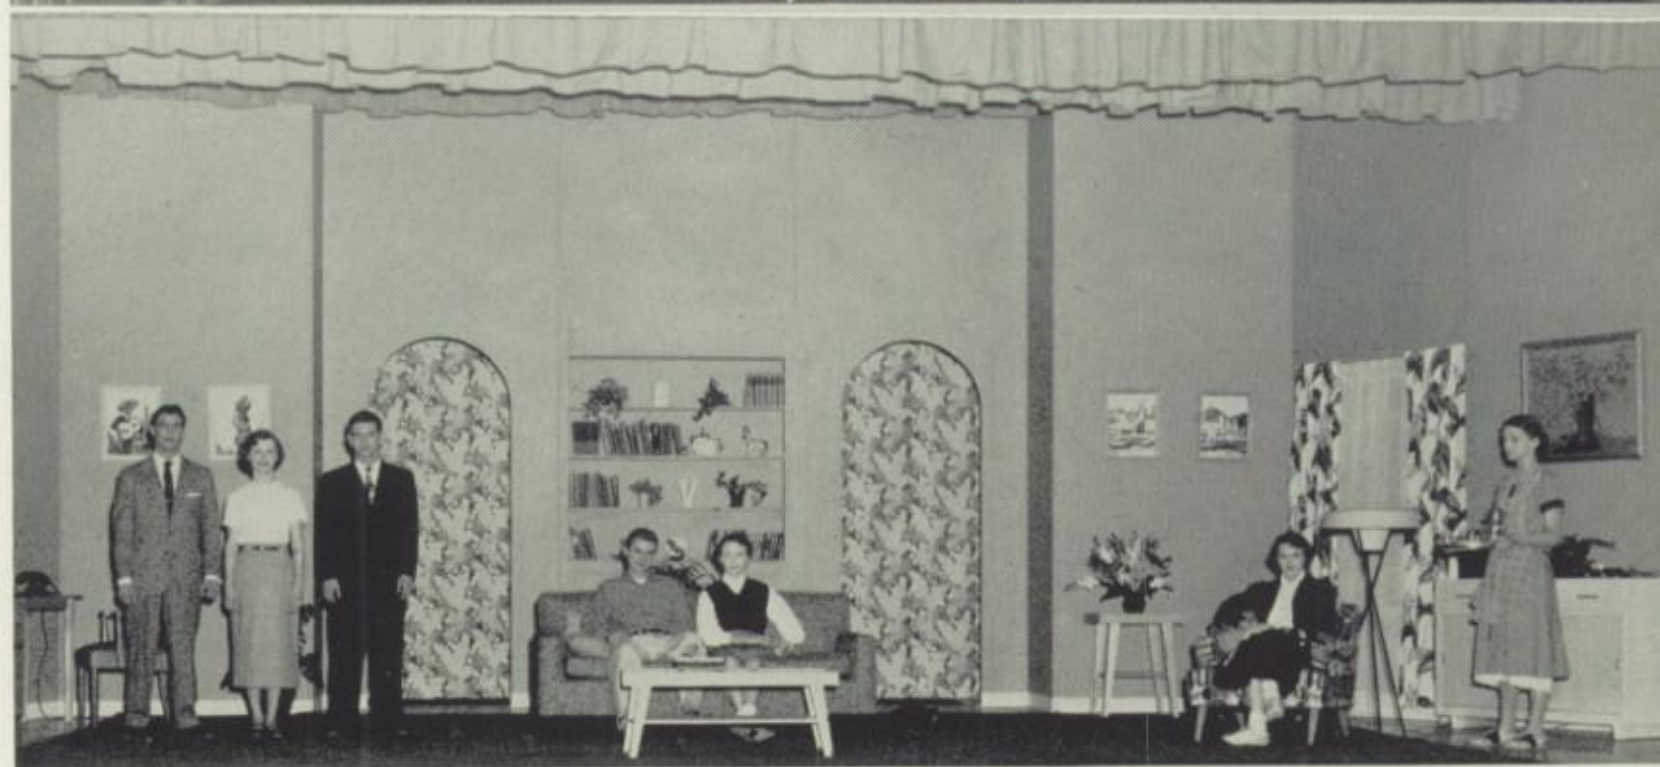

The officers of the Shelby Club are: President, Carole Hannafus; Vice-President, Dave Metzger; Secretary-treasurer, Elinor Spangler.

Give "Men Are Like Streetcars"

Carol Bendle, Carol Doty, Sonia Harrer, Charlene Johnson, Dave Ott, Kay Knapp, Sandra Fee, Miriam Hull, Dick Hillard, Mary Lou Willet.

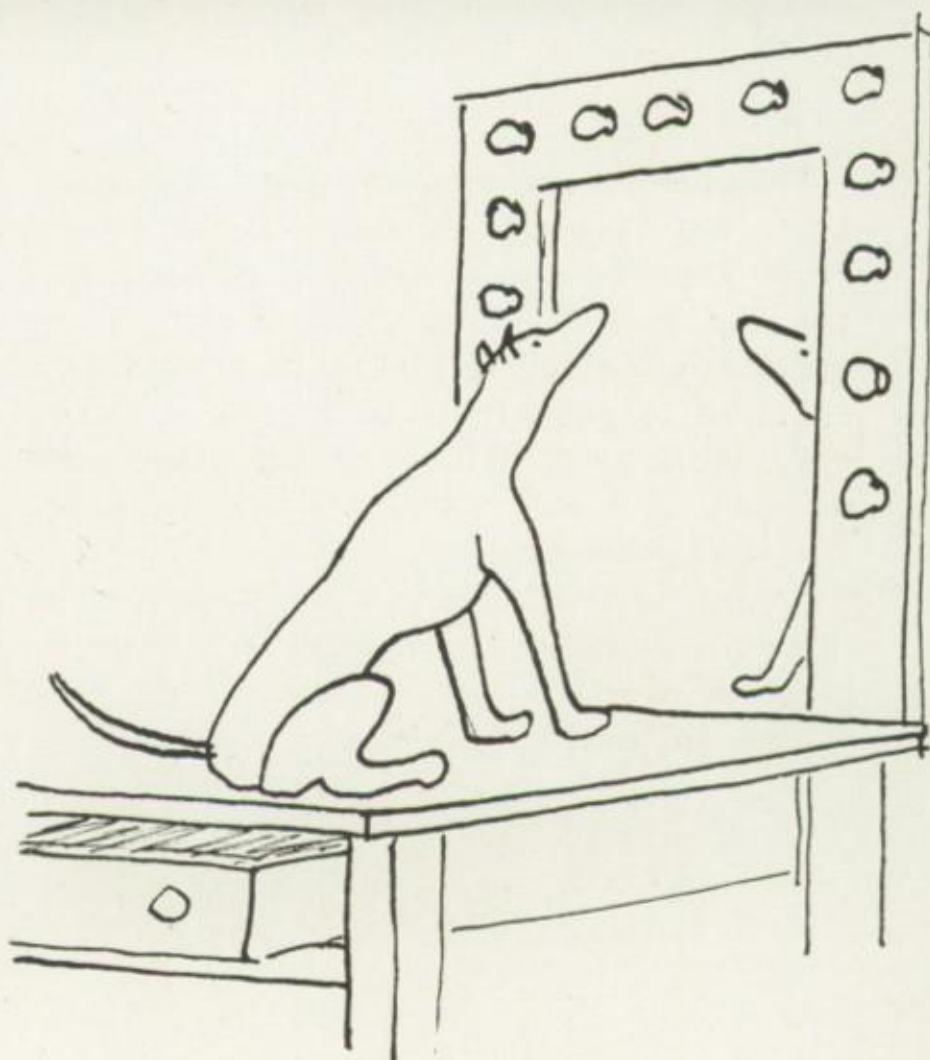

Don Thurman, Shirley Ralston, Evaldo Caporini, Eddie Randall, Mary Lou Willet, Beth Crum, and Barbara Hageman.

This year's cast for the annual all-school play, a three act comedy entitled "Men Are Like Streetcars", was made up of four members from each of the upper four grades, and could truly be called an all-school production.

The members of the cast were Miriam Hull and Richard Hillard as the long-suffering parents of Mary Lou Willet (Maudie) and Shirley Ralston (Sylvia), her older sister. The "Men" involved were Don Thurman and Evaldo Caporini, who were Sylvia's special problems, and Eddie Randall and Dave Ott, Maudie's suitors. Carol Doty, Sonia Harrer, and Charlene Johnson portrayed Maudie's girl friends while Beth Crum acted the part of the wallflower who learned how to become a belle to the dismay of Maudie and her "gang". Barbara Hageman was the family maid, and the parts of the three irate mothers were taken by Carol Bendle, Sandra Fee, and Kay Knapp.

PRESENT 3-ACT COMEDY

"Our Miss Brooks"

The popular radio and television program, "Our Miss Brooks", is equally important as a play for high school students. Mr. James Keiser, the speech director chose "Our Miss Brooks" for the Junior Class Play. Janis Cowman portrayed the part of Miss Brooks and along with the rest of the cast, did a wonderful job. They gave two performances, one on January 12 and the other on January 13. They kept the audiences well entertained with many laughs and good acting.

Bottom Picture: Clark Simpson, Colleen Henson, Beth Milliron, Ronald Terry, Jeanette Will, Janis Cowman,

It Wasn't All Work

Lights were low-atmosphere was romantic—for the Annual Junior-Senior Prom held in the school gym in May of last year. It was a beautiful evening.

"MERRY CHRISTMAS" — Poinsettias — colorful decorations — all combined to make the Snowball one of the high lights of social activities for the year.

Ralph Martinez—Drummer for Kenny Brague's orchestra—provided the music for the Snowball, the Spanish Club's holiday formal dance.

Another picture of the Junior-Senior prom. There was a space or two open on the dance floor. That is not mistletoe hanging over Mr. Copeland's head.

Three years ago a brand-new and much-needed department opened at Shelby High School. This was the agriculture department under the direction of Mr. Shank. Half a year later it was moved from its crowded quarters to the new addition of the high school which consists of a classroom, farm shop, laboratory and an office for Mr. Shank.

Besides covering all phases of farming at sometime in the classwork, these future farmers have an impressvie schedule cut out for them. These activities cover many fields. In September the officers attended Officer's Training School. Later in the year they placed first in the district parliamentary procedure contest an honor they have won for three straight years.

During Thanksgiving vacation the club spent three days in Chicago at the International Livestock Show. In between, they sandwiched trips to the Chicago Board of Trade, the Field Museum, the Planitarium, Aquarium, and Soldiers' Field.

February 27, the Future Farmers of America and the Future Homemakers of America sponsored the Valentine Dance, "Cupids Hideaway." Gerald Hawk was elected King of Hearts and attendants chosen from the FFA were Tom Shepherd and Steve Keller.

The judging team was busy in May with the general live stock judging contest at Jeromesville and the dairy, crop, and sheep judging contests.

On June 3, 4, 5 the State FFA Convention will be held and the judging team plus chosen delegates will attend.

Officers who preside at meetings the second Monday of each month are Steve Keller, president; Gerald Hawk, vice-president; Tom Shepherd, secretary; Kenny Foreman, Treasurer; Tom Reffert, news reporter; and Dave Metgzer, student advisor.

They Learned To Be Mother's Helpers

The Shelby Chapter of the Future Homemakers of America, more commonly known as the FHA, has become increasingly active each year. In order to do this it has been necessary to choose efficient officers and advisors. Those elected to direct the group's activities for the 1953-1954 school year were President Alice Marshall, Vice-President Janis Cowman, Secretary Beth Milliron, Treasurer Marilyn Finnegan, and News Reporters Carol Whisler and Genavee Ingram. The club also had a new advisor, Miss Joan Fairall.

The various activities in which the organ-

ization took part were many and varied including the sale of Christmas cards, a Christmas party, initiation January 18, a trip to the county rally held at Lexington, and the joint sponsorship with the FFA of Cupid's Hide-away held on February 27.

This group has truly made itself an important part of the different Whippet activities.

Seniors Give 3-Act Comedy

The Senior Class play which was given on April 29 and 30 was entitled "Take Care of My Little Girl" and boasted a cast of twenty-one students, of whom seventeen were girls.

The leading role, that of Liz, was ably portrayed by Shirley Ralston, Becky, her somewhat timid friend was played by Carolyn Briggs. The parts of Marge, the rush chairman, and Mary, the sorority president, were taken by Elinor Spangler and Marcia McCollough. The sorority "glamour puss" was Carole Hannafus, Mary Lou Willet as Casey, the intellectual, and Doris Dewey as Adelaide, the cowgirl from Tucson, both

added humor. Miriam Hull portrayed Mother Apple, the house mother, and Mary Chase Clark the "very special" sorority Alumna, Mrs. Bellows.

Evaldo Caporini and Larry McFadden provided the "love interest" as rivals for Li's affections. Phil Keller played Sam, the frat man.

Smaller roles as sorority members and pledges were filled by Suzanne Cline, Dorothy Crosby, Shirley Foley, Dianne Guthrie, Barbara Hardman, Mary Jo Hawk, Beverly Myers, and Thelma Workman. Parker Graham was the expressman. Mr. Keiser again did a capable job as director.

Our Compliments

TO THE MEMBERS OF
THE CLASS OF 1954 OF SHELBY HIGH SCHOOL

The Shelby Cycle Company

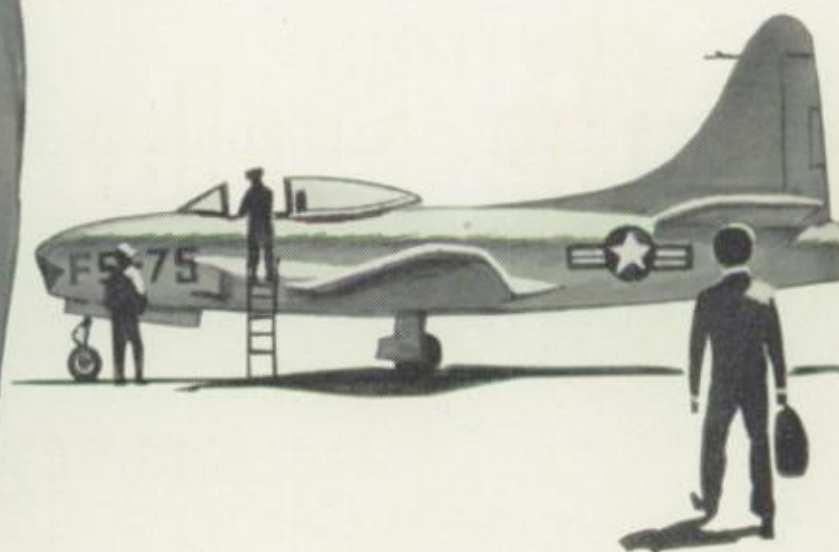

CLEVELAND, OHIO

(FORMERLY OF SHELBY, OHIO)

It is a pleasure to know that the name of one of The Shelby Cycle bicycles became the name for the future football and basketball teams of Shelby High School.

the sky's the limit

You've made good on the "test flight" of your high school career. You've won your wings. And "The Tuby" folks offer you heartiest congratulations! But now you're about to take off on an even more dramatic flight — the fascinating search for a "place in the sun." Toward this exciting future we offer you our very best wishes!

You're well-equipped and the sky's the limit! But along the way, bear this in mind: OSTUCO — your long-time neighbor — has a special place in its heart for Shelby High graduates. And as such you'll be given first consideration for employment-membership in the congenial "Tuby Family."

Mr. Archdeacon, Don Wolford, Dan Mellick, Marlin Minich, and Dick Guill.

This action shot taken during the Willard game portrays our 345 reverse with Dick Reed toting the pigskin. Wincel Ingram, running interference, is about to chop down one-eleventh of the opposition. Reed gained 15 yards on this play.

The members of the staff wish to extend their appreciation and gratitude to the following people given of time, energy, and advice.

Mr. James Oldham, Jahn and Ollier Engraving Company, Chicago, Illinois:

Mr. Joseph Devito, Devito Studios; Miss Mary Hill, Gray Printing Company, Fostoria, Ohio; Mr. Robert Lafferty, Miss Ray Bowman, Mr. and Mrs. Paul Moorhead for their work in the Senior Stand; Miss Ruth Stroup for her work in conducting the candy sales at noon and at the basketball games; and the administration for permission to take pictures during classes. We also want to thank the members of the student body for their assistance.
